

## Wage increases for 2020

The Government approved at the Council of Ministers the amount of the wage increases for the public administration to be applied in 2020..

Under the Law Decree approved yesterday, civil servants will have a wage increase of 0.3% in 2020.

Workers with salaries up to €683.13 will have a salary increase of €10.

The new increases also apply to workers working in public sector companies, as long as they're not covered by existing collective labor regulatory instruments.

The new updates are retroactive to 1 January 2020.
